

Fall Adventure Packages

\$8.00/ person plus HST.

Package includes entrance to the 3.5 acre Corn Maze, 3.5 Acre Switchgrass Maze, Haze Maze, Door Maze, Ice Storm Post Maze, Haunted Barn, Farm Animals, and Agriculture Education Centre. This also includes a horse drawn wagon ride around the pumpkin patch.

This year's theme for the corn maze is Canadian Symbols. There are 10 multiple choice questions hidden in the corn maze. Each question relates to technology. Questions are also bilingual.

The Switchgrass Maze is a combination of Sorghum and Switch Grass, which once established, will be used for biofuels.

Small pumpkins are available to pick in the pumpkin patch upon request, provided there is still a stock. The cost will be \$1.00 extra per person to pick their very own pumpkin!

(It is suggested that each student take a plastic bag along with them to place their pumpkins in!)

Students are welcome to bring their own lunch and eat them in the picnic areas. A regular visit consists of 2 and a half hours.

Avoid disappointment. Book your adventure today before it's too late!
